

### Purpose

To train and accredit Flower Show Judges  
To increase interest and knowledge in the fields of horticulture and design.  
To encourage beautiful and educational flower shows.

### Information

All lectures are open to the public for stated fees; only members of a garden club belonging to NGC, Inc. are eligible to receive credit toward Nationally Accredited Judges Certificates. Students taking the course for credit must be in their seats throughout lecture time. Seats will be numbered and assigned in the order in which paid reservations are received.

Bring to class – *Handbook for Flower Shows, 2017 Edition (HB)* Course II Study Outline (emailed or mailed in advance to registrants taking the exam), clipboard and paper.

Attendance Cards – punched at beginning of each session; serve as proof of attendance.

Point Scoring Exam – end of each class day.

**INSTRUCTORS**

**Janice Hamlin**

Janice has lived in Florida since early childhood and has always loved plants, flowers, birds, bees, and all things natural. She is a member of Manatee River Garden Club in Bradenton and is a National Garden Clubs Flower Show Judge and Flower Show Design Instructor. She is active in Florida Federation of Garden Clubs and is a member of Creative Floral Arrangers of the Americas, National Flower Arrangers, and Florida State Florists Association. Janice loves to teach and demonstrate. She has exhibited at the Dublin and Boston World Flower Shows and this past summer exhibited at the World Flower Show in Barbados.

**Jan Griffin**

Jan Griffin is serving as the FFSJ First Vice President, FFGC/FFSJ Flower Show Schools Chairman, District XIII's Horticulture Chairman, and served as the Horticulture Chairman for the 2018 State Flower Show. She is a Master Flower Show Judge. She has served on the Florida Federation Board of Directors in many capacities including Recording Secretary, Corresponding Secretary and District Director. She has been teaching Floral Design Units for over twelve years.

Jan has given many horticulture programs and has written several programs for teaching both design and horticulture. One of her favorite past times is working in her friend's florist shop creating beauty for others. Her theory for all designers is that you need great horticulture for great design.
